LinkedIn | **Github** | **Leetcode**

Education

Dr Akhilesh Das Gupta Institute of Technology & Management, Delhi   July 2024
BTech in **Computer Science and Engineering**
CGPA : **9.13**(up to 5th sem)

Oxford Senior Secondary School (CBSE)   May 2020
Percentage 12th: 83.6 **|** 10th: 91.8

Work Experience

GoalFi | Software Developer Intern | 📄 Certificate.pdf   May 2023
- Created the front end of a few sections for the company's website, using **CSS** and **javascript**.
- It was a **remote** job where I learned how to create web pages using **Figma** designs.

Projects

Portfolio   July 2023
- Personal portfolio which features some of my projects as well as my resume and technical skills.
- It has a fully **responsive web design** and a **multi-page layout**. It is a self-developed and designed portfolio.
- Github link for the repository: **Portfolio-Repo**
- **React, Javascript, NPM Packages, Vercel**

Newsletter-Signup | **Website**   April 2023
- A newsletter signup website made using **Mailchimp API** where the signups can be monitored using the MailChimp account.
- The data a user enters is sent to the Mailchimp database via an **API call**. If the same account already exists in the database, the user receives a failure page otherwise the user is successfully registered.
- **Node, Express, Javascript, Bootstrap, API Integration**

Rog-Free | **Website**   September 2022
- A website that shows you over seven specialised yoga postures for specific diseases or health problems.
- A front-end web development project made by a **team of two** for a **36-hour-long online hackathon.**
- **HTML, CSS, Javascript, Github**

Achievements

- Solved over 400 **Data Structure & Algorithm** questions across different coding platforms(250+ on Leetcode).
- Got a global rank of **499** amongst 15261 students in starters54 (CodeChef weekly competition).
- Management lead in Avant Garde - official fine arts society of ADGITM.
